January 2016 RPA Cachet Contest

Entry 1a: Ink Jet printing. Using the Morgan Horse stamp to demonstrate 30 Year Postage Inflation Rate

The horse stamp's salvage says © 1985.

2015 – 1985 = 30 years.

Postage is 49¢ in 2015 and was 22¢ in 1985.

$(1.027052)^{30} = 49/22 = 2.22727.$

The inflation rate for a single first-class postage stamp averaged about 2.71% over the last 30 years.
